

## Information about the Training for Trainers Class

MikroTik is announcing a 4-day 'Training for Trainers' class after the MUM Europe on March 29- April 1, 2015

**Target audience:** Anyone who is involved in training other people and IT engineers in particular

### Requirements:

1. Strong motivation to learn teaching other people,
2. Knowledge of TCP/IP in general and routing in particular,
3. Working knowledge of MikroTik RouterOS,
4. MTCNA and at least one of MikroTik Engineer level certificates (exam score - at least 75%),
5. Come with your own RouterBOARD (at least one wireless interface and three Eth. Ports), laptop computer, Ethernet patch cable and power extension cord.

**Objective:** Teach the necessary skills of preparing, delivering and evaluating a MikroTik RouterOS Training class through practical studies of educational psychology and it's application to teaching specific topics of MikroTik RouterOS.

**Purpose:** Make you a MikroTik Trainer so you would be able to deliver MikroTik RouterOS classes on your own

**Home Assignment:** You are kindly asked to do a "home work" and prepare yourself for teaching one particular topic on MikroTik RouterOS before coming for the class. Please see the guidelines here
